

**REMARKS**

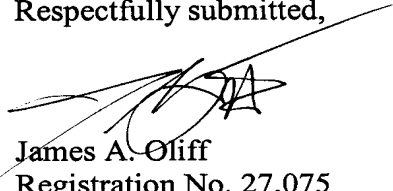

Claims 1 and 3-16 are pending in this application. By this Amendment, claims 1, 10-12, 15 and 16 are amended to correct form. No new matter is added.

Applicant respectfully submits that the amendments should be entered under the provisions of 37 C.F.R. §1.312 and MPEP §714.16 because they (1) merely embody the correction of formal matters without changing the scope of the claims; (2) are needed for proper disclosure or protection of the invention; and (3) will not require substantial additional work by the Examiner because they do not affect the scope of claims. This amendment was not presented earlier because Applicant's representative became aware of this informality after allowance.

In view of the foregoing, consideration and entrance of the Amendment After Allowance is respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
